CONGRATS

Thanks so much for getting in touch with me about your upcoming, special day-big hugs and congratulations again for sealing the deal!

An abundance of starry-eyed happiness and clinking of glasses await, and I'd absolutely love to be a part of your celebrations.

As a wedding photographer, I adore capturing the raw, unabashed connection between two souls, embracing the essence of your romance.

WHY I CAN'T WAIT TO DOCUMENT YOUR DAY

From stolen glances to cheeky kisses and getting loose on the d-floor, I'll be there to document your love story (and all the fun bits). I'll even make sure to snap authentic moments that may've slipped by unnoticed - they're the best ones!

Whether you want me to inconspicuously lurk in the shadows, snapping candid shots or be right up the front, rounding everyone up for group photos, I'll be the chameleon you need on the day. Either way, I'll be behind the lenses, not missing a beat.

Hand on heart, every ounce of my energy will go towards creating a gorgeous collection of images to forever memorialize your day. When you look through the photos, memories will come to life and it'll be as though you're right there doing it all over again.

HI, I'M BECK!

OH HEY! I'm Beck (aka Fun Queen.)

I am a wedding photographer & good times girl based in beautiful Byron Bay! Also known as the Fun Bomb Extraordinaire I like to bring GOOD VIBES and contagious energy to your wedding to join in the celebration & make everyone feel as ease.

My passion is capturing all the real stuff in this world... the emotions, the happy tears, the embraces and the elated expressions! Weddings are full of them and I absolutely LOVE MY JOB and soaking up all the good stuff!

Champagne & dance floors are my Jam!
I am wildly inlove with love...

*I have been capturing love stories for over a decade and travelled the world doing it - what a lucky human I am!!!
By the end of the day we will be best friends and I'll be dancing with the bridesmaids on the D-floor and high-fiving your dad.*

Your images will be a true representation of who you are - by having a fun time and forgetting you are having your photo taken you will not have to "pose" or be worried about how you look.

You will just be yourself and this will shine through in your beautiful images!

When you choose your wedding photographer you don't just get their camera skills and photos - you get an actual person - you get moi! And we will be together ALLLL day!

So if you love having a laugh and a bloody good time then continue on my friend.

Lets capture your magic!!!!

"BECK, YOU'RE AN ABSOLUTE GEM!"

"This kindred spirit added an element to our wedding that we did not expect. We had the most wonderful time with Beck and she was the most gorgeous addition to our wedding group. She slipped right in like a part of the family and her personality is infectiously delightful. Beck brought out the fun in everyone and the laughter showed up in every photo. I was determined that I did not want anything too posed and preferred candid photos of the day- and wow, did Beck deliver! She was super organised with family photos, everything was super swift (how we wanted) and our bridal party photos were a highlight of the day, she made us feel relaxed and we could all truly be ourselves.

Her photos of our wedding were beautiful and those photos are the one thing you take away from a wedding and showcase to future generations. I am so grateful that we invited Beck to our wedding, not just for her photos but for her inspired friendship as well"

SECOND

SHOOTER

THE PERFECT SOLUTION TO COVER
MULTIPLE LOCATIONS OR BIG
WEDDINGS.

As much as I'd love to clone myself and be in two spots at once, it's a lot easier to get extra coverage if you choose to have a second shooter on the day.

This is a particularly good idea if:

- You have a large guest list and want to make sure we get shots of everyone that's there on the day
- You and your partner are getting ready at the same time, and the locations are far apart
- You want photos of the ceremony and reception styling prior to the arrival of your guests

Basically, the second shooter will act as my wingman/wing woman, doubling the coverage of your wedding.

We'll team up to ensure that everything is captured, from start to finish, locations far apart. Lastly, having a second shooter will ensure photos are taken of the ceremony and reception styling, undisturbed by guests.

How many professionally taken photos do you and your partner have, ones that you really love and can fill your home with?

An engagement shoot is a chance for us to capture some really beautiful, candid photos of you and your partner in a relaxed environment. Just the two of you, being you.

Plus, if you're a little camera-shy, it's the perfect opportunity for you to practice being comfortable in front of the camera in the lead up to your wedding day.

Either way, I promise that we'll have a lot of fun while we're at it.

ALBUMS

A TREASURED KEEPSAKE FOR GENERATIONS TO COME

Handmade from the highest quality materials and fully customisable to your liking, I'll craft and bind your favourite photos into a fine art wedding album. We'll work together to weave a story and create an album design that you're absolutely in love with.

Simply select your must-have wedding images and I'll get the ball rolling. If you're not sure where to start or simply can't decide, I'll be more than happy to help you pull it all together.

You'll get up to 3 revisions to note any changes you'd like with my design, and we won't send it off to print until you're 100% happy with the layout. You'll be flicking through this album for years down the track, reliving your special day all over again, so let's make sure it's perfect!

Where are you based?

I live in beautiful Byron Bay with my surf obsessed husband Joel and two little humans Luna & Ziggy!

Do you photograph internationally?

You bet I do! Nothing excited me more than the opportunity to shoot a destination wedding or elopement.

If you're thinking of taking your celebrations overseas, please get in touch so we can chat about the finer details.

Do you do same-sex weddings?

A million times YESS!!! LGBTQIA+, no matter how you identify and regardless of how you define your relationship, I'd love to be a part of your wedding day. Love is love and I'm 100% here for it!

Do you photograph elopements?

If you and your partner are thinking of skipping the fuss and running off to do a private ceremony with just the two of you or a handful of your nearest and dearest, I'd be absolutely honoured to document your intimate ceremony.

How many photos will I receive?

You'll receive roughly 100-120 images per hour of photography! It also depends on how jam-packed your wedding day is!

How will I receive my photos?

Firstly, I'll send you a handful of sneak peek shots a week after your wedding. 4 to 6 weeks later, you'll receive a link to your online gallery and slide show to watch and relive your wedding day. If you had the largest 8 hour package you'll also receive a beautiful package in the mail with a USB, and a little thank you from me.

How long will it take to receive our photos?

It will take roughly 4 to 6 weeks to receive your final wedding photos. I put a lot of love and care into perfecting each image, which is why it'll take me a little bit more time to deliver your final images. If you'd like your photos sooner, please ask me about the rush fee.

How does the payment work?

There is a \$1000 booking fee to lock in your date. 50% of the remaining balance is due 3 months before your wedding, and the last 50% is due 3 weeks before.

What happens if disaster strikes?

This has never happened and will NEVER happen. However, if it did, I have contacts all over the world that will be able to step in. These are other talented photographers who will take good care of you.

Will our photos be edited?

Yes all images are colour corrected & edited using Lightroom.

Can I print my photos?

Of course, I'd love for you to print your favourite photos! You can easily order photos prints through your online gallery.

What if I have to cancel or move my booking?

Life is complicated and the unexpected is to be expected. The deposit is non-refundable as this helps to protect my business due to turning away all other bookings for your wedding date. I hope you understand that deposit is insurance for my business to stay afloat in the event of a cancellation.

Do you have any vendors you recommend?

Yes, from years of experience in the wedding industry, I have come to work with some of the top wedding vendors.

If you would like specific recommendations, just reach out and I'm sure I will have some suggestions I can send you.
