## ELOPE PARTNERSHIP PACKAGES '23/'24

# YOUR WEDDING DAY SOUNDTRACK

We work to your plan – rather than the other way around.

Your chosen musician will play to your runsheet. That may mean longer than normal sets to bridge between formalities, or a bunch of shorter ones. No probs. Whatever your plans dictate. And of course we ask a bunch of questions so that we get intimately familiar with your fave musical flavours. When it comes to providing info, requests and musical suggestions, we want you to be as hands-on (or -off) as your heart desires.

The Janda Events' Solo & Duo 'Wedding Day Soundtrack' packages ensure flexibility and customisation, combining the raw emotiveness of live music with a party-pleasing DJ set to bring the crescendo of sky-high vibes that your love celebration deserves.
